

Drawing Review Report

AI-assisted engineering drawing review

Drawing Overview

Field	Details
Document Title	Demo Engineering Drawing
Drawing Number	DEMO-DWG-001
Part Number	Not extracted
Revision	A
Material	Not extracted (demo mode)
Scale	1:1
Units	mm
Review Method	Automated AI-assisted analysis

Review Summary

Drawing review completed in demo mode. Configure an API key for AI-powered analysis.

Key Findings

[info] General — Drawing analysis is running in demo mode. No API key is configured.

Recommendation: Configure an OpenAI-compatible API key via the  settings panel.

Human engineering review required before release or manufacturing use.
